**ATTENTION:** To whom it may concern

**IN RE:** A BRIEF TESTIMONY FROM A SEVENTY-SIX – PLUS, YES, A – “76-+” SENIOR CITIZEN; WHO IS A SEMI-RETIRED RABBI, CLERGYMAN WHO HAS BEEN BOTH A DIABETIC AND A CORONARY-HEART PATIENT.

*Dear Sir/Madam,*

*I was hospitalized in 1988 for three weeks and diagnosed with severe Diabetes. My Blood-Sugar levels averaged between 1,225 and 1,358 for my first two weeks there as a patient. My Medical Doctor was a Diabetic-Physician who also had an Internal-Medicine Certification. He and I had been friends for several decades and when he called my home to inform me of my serious medical problem; these were his words to me: “Rabbi Harry, please have someone drive you to the Hospital immediately, because your Blood-Glucose/Sugar has gone off the Charts, and you are literally – ‘A WALKING DEAD MAN’-!!! Please do not drive yourself; but, have someone drive you here... For the past twenty-four – “24” – years I have been on Insulin by injection; @ a dosage of two to three times all those years; plus, several Diabetic Oral-Medications also at the same time. My body weight was approximately 368 lbs. In the year of 2004, I had a serious Heart-Attack. I was hospitalized for that and have been diagnosed with some cardio-vascular medical problems.*

*In April of 2012, I was introduced to STEM CELL WORX, by a Pastor friend named Brother William Dean. I am currently OFF-OF “ALL DIABETIC MEDICATIONS, including my inject-able Insulin’s, and my Oral Diabetic Medications also; i.e., COMPLETELY OFF OF THEM ALL... My cardiologist said my heart which has both a Flutter and an Affrication, was now functioning normal; and he does not want to see me until February, 2013... Hallelu-Yah-!!! Praise the LORD-!!!*

*I believe that the gift of – STEM CELL WORX – was the vehicle which YHWH/G-D – ‘The Almighty Creator of Heaven & Earth’ used to turn my medical-problems. Please feel free to contact me for medical records, pharmaceutical records, etc. Thank you.*

*Prayerfully and Respectfully submitted by,*

*Rabbi/Shaliach H. S. Dombek*
